PLEASE NOTE!

This application form is only to be used by directly registered investors, i.e., investors with a so-called **VP account**.

Investors with a nominee/custodian account (depot) should instead submit their subscription application to their nominee of custodian bank according to their procedures.

1. The undersigned hereby applies for the subscription as specified below

Number of shares:	Amount in SEK: (Number of shares x SEK 30,00)
-------------------	---

The securities shall be delivered to the following VP account:

2. The undersigned is aware of and acknowledges:

- That the application is binding; however, incomplete or incorrectly filled applications may be disregarded.
- That I/we have assessed Magle Chemoswed Holding's future development and considered relevant risks. Each investor must individually assess the impact of these risks by reviewing all available information provided in connection with this offer. Information is available for download at www.maglegroup.com.
- That Vator Securities AB is authorized to execute the subscription of shares on behalf of the undersigned according to the board's allocation decision in Magle Chemoswed Holding AB.
- That in case of oversubscription, the allocation of subscription without subscription rights may be with a lower number of shares or may not occur at all.
- That this application form may not be distributed to or within any other country where such distribution (i) requires additional registration measures or other measures beyond those required by Swedish law, or (ii) violates laws, regulations, or other provisions in such country.
